MISSIVE FROM THE ON PRES'

So 100 days have passed since the Coronation of the 44th On Pres; Jim Burke calls it the honeymoon period. People with much greater responsibilities than mine, such as Barack Obama and Franklin Roosevelt have held major conferences on their performances over their first 100 day period in office. Mine will be shorter and simpler. But there are a few things of perhaps minor significance to report that have been introduced since 13th June.

Firstly, the Hare to Run Averages has been replaced by an Attendance Table in the hope that this incentivises the

broader Hash Membership. This table is published in current issue of the Angle.

Secondly, we have introduced, in Jim Burke, an expert Crit Master, who, with his experience, constructively comments the quality of each run, in balanced language.

Then we have tidied up the Slow Run, with directional flour markings and attempts to keep the route separate from the major run. We now introduce Guests with more politeness and positive identity and have been able to highlight talent if appropriate - note Geoff Davies of the Fron Male Choir.

For a Sporting Club, it seems appropriate to discuss outstanding British performances - see the weekly choices thus far made, on page four.

Plans are in hand for dates and venues of future 'family' events; the 'awards' backlog has been cleared and the new look Inside Angle is up and running and produced on a monthly basis. Shortly, the new design of our Website will be unveiled, updated and refreshed and we will be recording the hits it takes weekly to gauge its future worth.

On the Membership front, we follow with concern Jack Blocki's illness. Regular visits are paid and a weekly report announced as to his general condition. Our good wishes that a peaceful and pain free journey goes to this amazing man.

Our membership has suffered a downturn in the last year, but our two new members have already proved their enthusiasm to participate and we look forward to further recruitment in the months ahead. Attendances since 13^{th} June are up on the previous 100 day period, a trend we all hope will continue.

Finally our two Jesters have performed with astonishingly disgraceful humour, which continues to ensure our status as a Male only Club; goodness knows what these guys would do without all the World's natural disasters from which to produce their material!

Whilst you will be the judges, as ever you should be, as to the JM's team performance, and will remain grudging with your praises - you may still feel that the Tuesday afternoon show is still the best show in town ... soggy chips, fatty chops, Carlsberg and all!

On On!

HASH BASH TO TURKEY.

IN CONJUNCTION WITH FETHIYE H3. WEEKEND DETAILS TO BE FOUND AT www.fethiyehashhouseharriers.com. FLIGHT DETAILS FROM DAVE NORRIS OR RAY TURFORD.

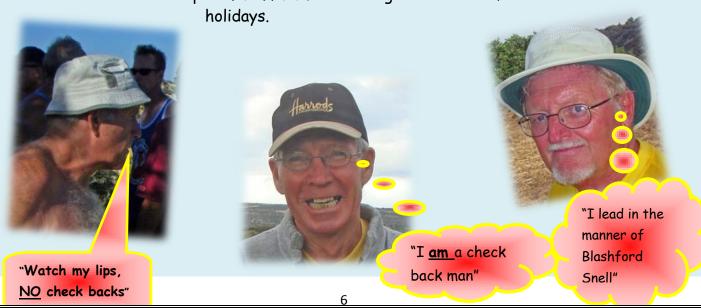

RUN 2404
(Closer than ever before to the most dangerous road on the Island)

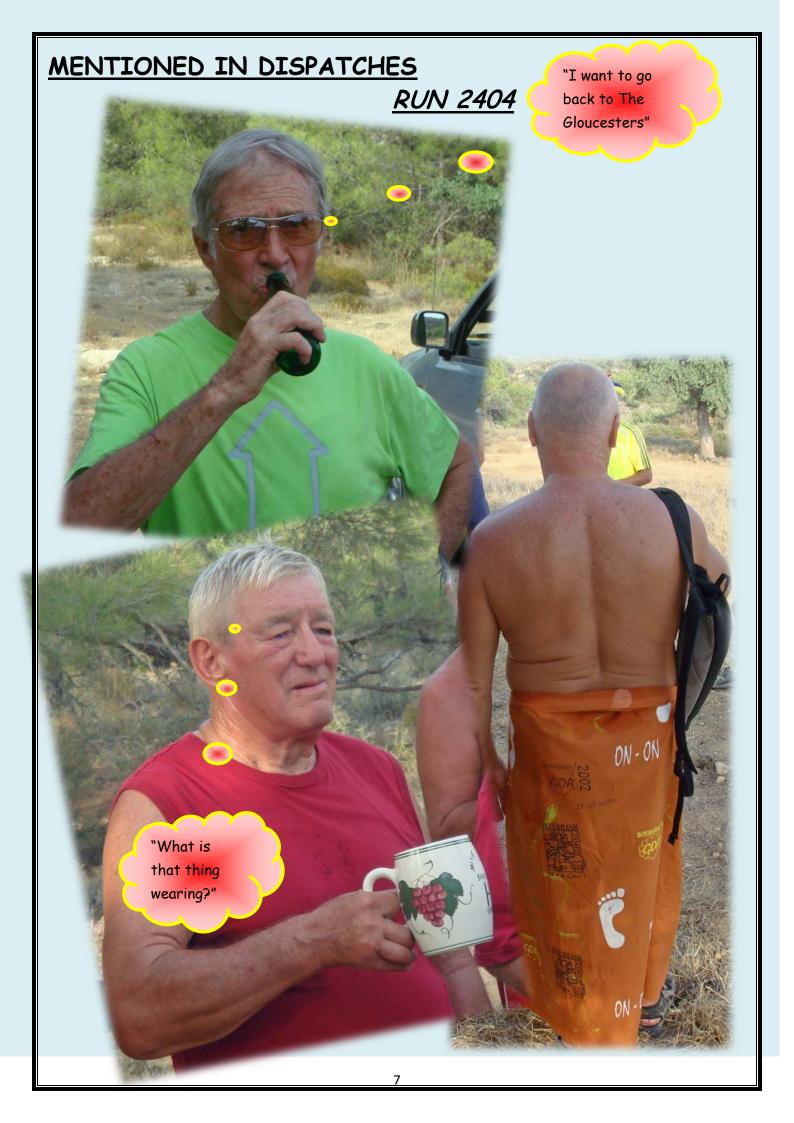

<u>FAST RUN DATA:</u> Hashers: 25. Distance: 4.8 Km. Checks: 9. Check Backs: 1. Time: 46 minutes.

<u>SLOW RUN DATA:</u> Hashers: 14. Distance: 2.5 Km. Checks: 0. Check Backs: 0. Time: 40 minutes.

RUN SUMMARY: A 'T McS' special, competently aided and abetted by Ray with a 'T' and 'GF'. We were reliably informed that the lead hare had recced the run on at least five occassions and ran it on three; thus it was to be a 'Run of Runs' from a virgin RV. Unfortunately the RV was no more that 50 mtrs from the 'Highway from Hell' and by checks 8 and 9 the Hash resembled a Chindit Ptl in single file, donkeys at the rear, heading up the Irrawaddy! Notwithstanding the fore-mentioned; Tom's check back was a classic, lots of shade in the RV and the chop being moved to the Stables resulted in a fine Tuesday affair. Guests were Sid's son-in-law and grandson, Noggsies grand-daughter's boyfriend, Dave Hewson's son-in-law and a 'pal' of Koffi. Marshall Hughes returned for the school

RUN 2405 (THE LATCHI BOAT TRIP AND RUN)

<u>FAST RUN DATA:</u> Hashers: 12. Distance: 2.5 Km. Checks: 4. Check Backs: 3. Time: 25 minutes.

<u>SLOW RUN DATA:</u> Hashers: 8. Distance: 2.0 Km. Checks: 0. Check Backs: 0. Time: 30 minutes, less Mike Borner who completed **both** runs and the return paddle in 1Hr 5! <u>RUN SUMMARY:</u> "The best laid plans o' mice & men gan aft agley". What was to have been a hardly get the feet wet paddle from 'Koula' to the RV was a 300M+ swim, On Pres' was abandoned on the boat, Ray & Tom's cunning plan to arrive with dry runners foundered and to cap it all there was neither water nor KEO in the RV! Nevertheless, *47 hashers and guests* ranging in age from 8 months to 80 years enjoyed a thoroughly grand day and we said

RUN 2406- SYMBOULIS DAM (Yet another well known (used) RV and yet again - through the tunnels)

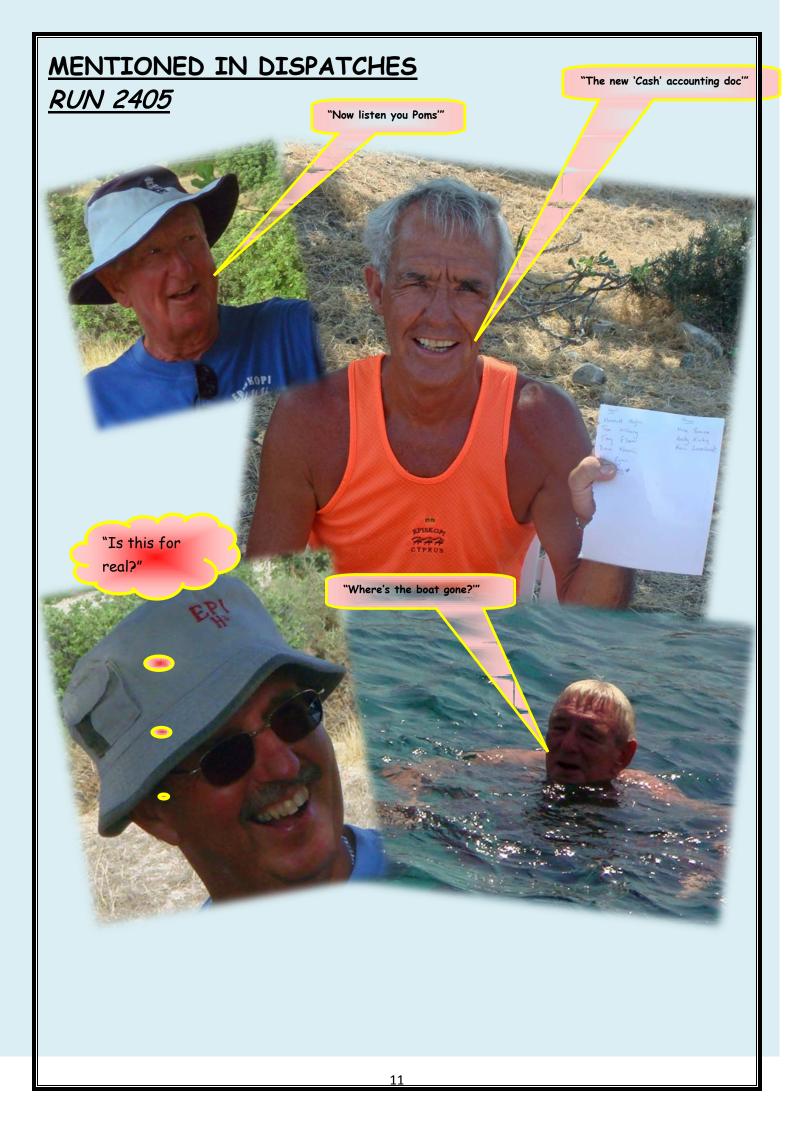

<u>FAST RUN DATA:</u> Hashers: 18. Distance: 2.6 Km. Checks: 4. Check Backs: 3. Time: 34 minutes.

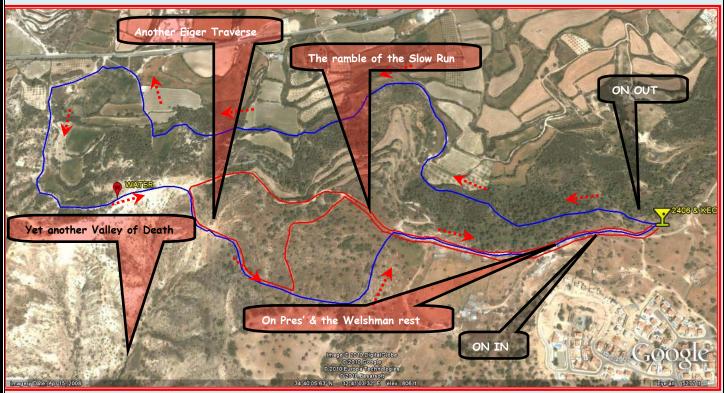

SLOW RUN DATA: Hashers: 12. Distance: 2.5 Km. Time: 48 minutes.

<u>RUN SUMMARY:</u> The Hash having experienced a grand boozy Sunday, the Lead Hare assumed, wrongly, a Jessie affair was required for 2406. Subsequently, following a brief delivered in a manner akin to the Chief of the General Staff or Mike Hillyar, we completed the run in just over the half hour with the front runners' hardly breaking sweat! The slow chaps meandered of to visit Noggsie's fish in the company of Charlie, son of Dave Hewson.

RUN 2407 (Just a tad WEST of the HillView, Pissouri)

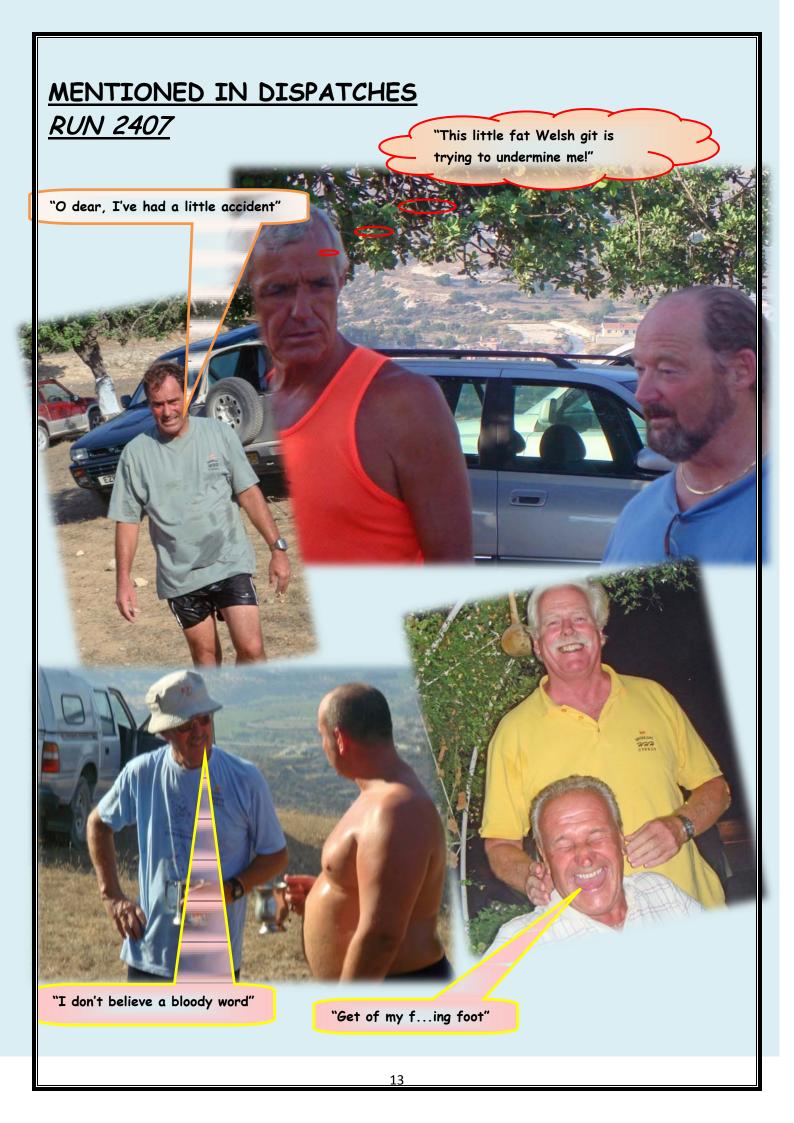

<u>FAST RUN DATA:</u> Hashers: 21. Distance: 3.9 Km. Checks: 5. Check Backs: 3. Time: 52 minutes.

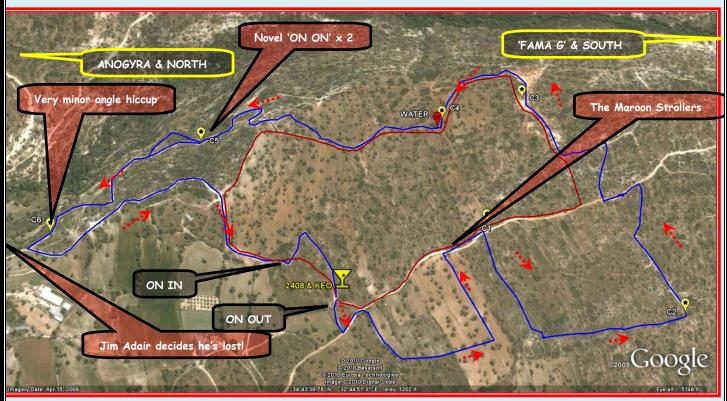

<u>SLOW RUN DATA:</u> Hashers: 12. Distance: 2.5 Km. Time: 41 minutes, less On Pres', Dave Hewson and Geoff Davies who staggered in on 1 hr 5 mins!

RUN SUMMARY: On probably the hottest afternoon in Cyprus since records began we assembled in a goat pen without a fence, to be briefed that 2407 because of the heat would be a mere 30 - 35 mins. 34 mins from the 'On Out' the lead runners reached the Water Stop, to be faced by the 'Eiger Traverse' <u>and</u> 45% of the run remaining. The Crit Master duly castigated the Hares! Terry Willett was the guest of Colin Winyard and the Welshman from the valleys, Geoff Davies, returned for his summer holidays.

RUN 2408 (JUST A TAD SOUTH OF ANOGYRA)

FAST RUN DATA: Hashers: 23. Distance: 4.5 Km. Checks: 6. Check backs: 3. Time 34 minutes.

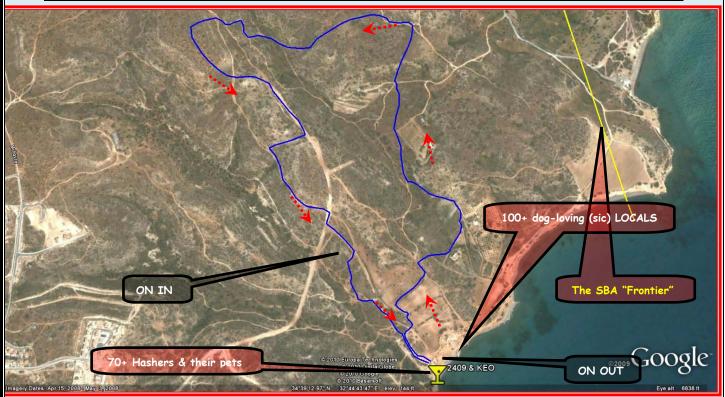

SLOW RUN DATA: Hashers: 12. Distance: 2.5 Km. Time 48 minutes.

RUN SUMMARY: Such a spectacular transformation from 2407! The assiduous and experienced Hares fully appreciating the current heat and clamminess of the coast selected a most convivial RV some 1500 feet higher than Erimi or Pissouri, thereby providing the Hash with a most enjoyable and novel summer run. That is less Jim Adair, who decided to divorce himself from the 'Maroon Strollers'; thereby after about 2 hours, having visited Anogyra, he returned - having missed the crit'! Guests were Zenta from the Lebanon (see front page), Lee Barnett and Tony Grainger.

"Flower! You will regret mentioning the water stop"

RUN 2409 (THE RV ON A BEACH NEITHER SECLUDED, CLEAN NOR PRIVATE)

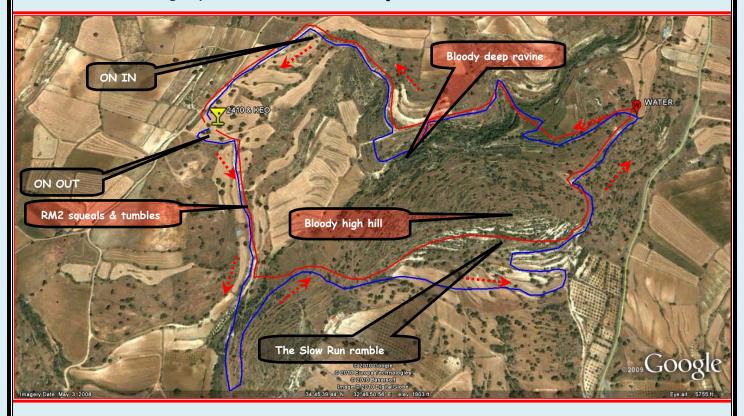

<u>RUN DATA</u>: Hashers: A 70+ mixture of runners, slow runners, knackers on the beach and a few who didn't bother to book in! Distance: The run was about 4 clicks, the slow run about 2 and a half and both were completed in about 35 - 40 minutes.

<u>RUN SUMMARY:</u> "The best laid plans o' mice an' men" (Again) Our, EH3 that is, secluded and private beach was occupied by about 100 happy-clappies and others; resulting at about 1500 hrs a standoff, Mexican style, and a visitation by the local constabulary! Notwithstanding the fore-mentioned, the following are deservedly "Mentioned in Despatches"; the Hares for resolving the KEO cock-up, Noggsie for delivering the longest

RUN 2410 (A longway SOUTH of Pachna or just a tad NORTH of Prastio)

<u>RUN DATA:</u> Hashers - 44 (all varieties). Distance - 4 Km. Checks - 4. Check Backs - 3. Time 30 mins.

<u>RUN SUMMARY:</u> The shout from the Hares went something like "You've never been here before". The reply from a number of the pack was "Shite; same RV, same hares, only a different HASH and the RV is a bloody site closer to Prastio than Pachna"! That notwithstanding it was a fine summer run of 30ish mins. Ben and Rob Astley were guests of Dave Hewson, the Foley twins returned along with the senior hare and Ian McCardle. Bob Bensley completed his 400th run - albeit at a particularly slow pace, whilst Jim Burke completed his 700th at his normal fast pace!
